The inside story

Note from the **Chairman**.

Greetings from us all at **WEC**! The **WEC** office is busy with the start of the Autumn round of exhibitions and tourism events.

In this 2nd edition of '*The Inside Story*' we have some updates for you.

WEC website

We have been in the progress of upgrading the website and making it more user-friendly. We anticipate the new version will be up and running soon.

WEC exhibition attendance

We are planning a full programme of meetings and attendance at the forthcoming World Travel Market in London from 9-12 November. If you plan to attend, please let us know so we can meet up.

Your WEC Notice Board

Don't forget, if you any special events or offers that you would to share, let us know so we can pass them onto all **WEC** members.

The next issue of *The Inside Story* will be in January 2010. Please send us your news or offers by 15th December for inclusion.
